

MICHAEL ROLFE PANCREATIC CANCER FOUNDATION

**FINANCIAL STATEMENTS
WITH
INDEPENDENT AUDITOR'S REPORT**

DECEMBER 31, 2013 AND 2012

RUZICKA & ASSOCIATES, LTD.

Certified Public Accountants

Independent Auditor's Report

The Board of Directors of
Michael Rolfe Pancreatic Cancer Foundation

We have audited the accompanying financial statements of Michael Rolfe Pancreatic Cancer Foundation, which comprise the statements of financial position as of December 31, 2013 and 2012, and the related statements of activities and changes in net assets, functional expenses and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Michael Rolfe Pancreatic Cancer Foundation, as of December 31, 2013 and 2012 and the changes in its net assets and its cash flows for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

MICHAEL ROLFE PANCREATIC CANCER FOUNDATION

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2013 AND 2012

1. Nature of organization and significant accounting policies:

The Michael Rolfe Pancreatic Cancer Foundation is an Illinois Not For Profit Corporation organized to provide funds for pancreatic cancer research.

Revenue and expense recognition

Revenue and expenses are recorded on the accrual basis of accounting, whereby revenue is recognized when earned and expenses are recognized as incurred. All contributions are considered to be available for unrestricted use unless otherwise specifically restricted by donors. Contributions are recorded and recognized as income when notice of award is received. Restricted contributions are recorded as revenue in temporarily restricted net assets if limited by donor imposed stipulations that either expire by passage of time or can be fulfilled and removed by action of the Foundation or in permanently restricted net assets if such contributions are non-expendable. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the Statement of Activities as net assets released from restrictions. Grants awarded are expensed when the recipient is notified of the award.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

2. Net assets:

The Foundation classifies its net assets into three categories:

Unrestricted net assets include all of the unrestricted support and revenue of the Foundation, all of the expenses of the Foundation, and transfers from temporarily restricted net assets for reimbursement of expenditures that meet the restrictions of the donors.

Temporarily restricted net assets include all the restricted support and revenue of the Foundation. Transfers are made from this fund to unrestricted net assets as expenditures are incurred which meet the restrictions of the donors.

Permanently restricted net assets include funds received from donors with the stipulation that the Foundation permanently retain them in perpetuity and that only the income and/or use of the assets are available to the Foundation. At December 31, 2013 and 2012 there are no permanently restricted net assets.

3. **Cash and cash equivalents:**

Cash and cash equivalents at December 31, 2013 and 2012 consist of bank and money market funds.

4. **Income taxes and tax-exempt status:**

The Foundation is exempt from taxes under section 501(c) (3) of the Internal Revenue Code as a public charity.

The Foundation follows the accounting standard on accounting for uncertainty in income taxes, which addresses the determination of whether tax benefits claimed or expected to be claimed on a tax return should be recorded in the financial statements. Under the guidance, the Foundation may recognize the tax benefits from an uncertain tax position only if it is more likely than not that the tax position will be sustained on examination by taxing authorities, based on the technical merits of the position. Examples of tax positions include the tax-exempt status of the Foundation and various positions related to potential sources of unrelated business taxable income. As of December 31, 2013 and 2012, there were no unrecognized tax benefits identified or recorded as liabilities.

The Foundation files Form 990 in the U.S. federal jurisdiction. The Foundation is no longer subject to examination by the Internal Revenue Service for years before 2010.

5. **Temporarily restricted net assets:**

Temporarily restricted net assets relate to cash and pledges received for the "One Thousand Days of Research" campaign. Pledges maturities are as follows: \$13,334 in 2013 and \$10,000 in 2015. Net assets released from restriction in 2013 and 2012 reflect the scheduled payments in each year on such pledges.

7. **Rent commitment:**

The Foundation leases office space under a lease agreement through February 28, 2015. Rent expense equaled \$19,130 in 2013 and \$18,740 in 2012. Future rent commitments are \$3,310 in 2015. The effect of rent escalators are immaterial, thus rent is recognized as paid.

8. **Grants:**

The Foundation annually awards grants to various organizations to promote research for the early detection of pancreatic cancer. The grants awarded for the years ended December 31, 2013 and 2012 were \$292,772 and \$280,841, respectively.

9. **Subsequent events:**

The Foundation has evaluated subsequent events for potential recognition and/or disclosure through July 11, 2014, the date the financial statements were available to be issued.
